

Baby O'Clock

TIME FOR BABY & YOU

Baby O'Clock is a six-week interactive program for babies 0 to 23 months and their parents or caregivers. It will consist of books, songs, rhymes & fingerplays, followed by some playtime! This will be a good time for bonding and socialization, which is essential for infants!

Thursdays at 11:00AM
April 16th - May 21st
ALD Room

Research shows that the more words parents use when speaking to their infants, the greater the size of the child's vocabulary is at age 3.
